Finance Report: As of our March meeting, our operational balance was \$1742.24. After donations and expenses at the March meeting, postcard writing sessions in-person and at home, and the well-attended debate-viewing events, as well as other donations and expenses, our current operational balance is \$1249.74.</p> <p>With the current crisis, Hillcrest Indivisible needs to adapt, while still being committed to bringing progressive change to our community and the country. Even now, American Democracy is under threat as every American is threatened by this pandemic. The money raised goes to supplying and organizing safely in this new reality. Postcards, letters, materials, and efforts that still need to be done require these funds.</p> <p>From April 6th to May 31st, The National Indivisible Project will match any funds donated, specifically, through the ActBlue link below up to \$500. Every dollar donated becomes two. The harsh reality we face today can be avoided in the future if we choose to invest in fighting for leadership who care about us.
