Hillcrest Indivisible Membership Meeting

Wednesday, November 11, 2020, 6:30 pm- 8:00 pm

Item	Who
1. Call to Order/Welcome	<u>Presiding:</u> Nancy Cottingham, Co-Chair <u>Time:</u> Michael Rudolphsen, IT Lead
2. Consent Agenda Minutes, October, 2020 (posted on website) A. Activity Reports (reverse side) B. Finance Report: As of our October meeting, our operational balance was \$913.07. From everyone in the Hillcrest Steering Committee, we would like to thank all donors for their contributions that directly went into supporting democracy across the nation. Tens of thousands of handwritten letters and postcards placed into the hands of voters, encouraging them to make a difference. From our blue District, we reminded our fellow Americans that they were not alone in their desire for a better America. We were rewarded with several race wins and the election of Joe Biden and Kamala Harris (no matter what Trump and GOP may delude themselves into thinking)! After fundraising and campaign efforts, and outstanding expenses, our current operational balance is \$1063.07. While the larger election day has passed, the GOP and Trump show they do not want this fight to end. Hillcrest Indivisible is joining in the postcard and GOTV campaigns in Georgia (where TWO senate seats are on the line in the January 5 runoff). Consider donating to Hillcrest Indivisible to boost this effort through December. You can donate via check or Venmo to Nam Nguyen (@Nam-Nguyen-36). We recommend these methods since we will be directly supporting candidates Rev. Raphael Warnock [D] and Jon Ossoff [D]. This is our chance to win both seats and get a Senate majority with VP Kamala Harris! Hillcrest Indivisible will continue to be Hillcrest Unstoppable! The Consent agenda was moved by Nancy Cottingham; passed unanimously	Nam Nguyen, Treasurer/State Liaison
