5	<b>2. Consent Agenda</b>  <b>A. Minutes, September, 2020</b> (posted on website) <b>B. Activity Reports</b> (reverse side)  <b>Finance Report:</b> As of our September meeting, our operational balance was \$2485.07. With the funds raised, we were able to make one final push in the letter and postcard campaigns to be sent out to citizens across the nation who needed that extra push to get them to the polls. We can't deny Hillcrest is in a place of privilege to be in a Blue District, but you have shown that people can use their privilege to lift the spirits of the disenfranchised, intimidated, and neglected. After fundraising and campaign efforts, and outstanding expenses, our current operational balance is \$913.07. The election is officially less than 1 month away. Ballots are being sent now. Now is the time to put show that we are more than "thoughts and prayers," but voice and action. Instead of asking for donations to Hillcrest Indivisible, I ask that you donate to the election candidates of your choice or to the organization of your choice, as long as they are fighting for justice, for democracy, and progress.  Karen Longstreth moved to approve the consent agenda and Linda Cianciolo seconded. The consent agenda was unanimously approved by membership present.	Nam Nguyen, Treasurer/State Liaison
